7 UNITED STATES DISTRICT COURT  
8 WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 PAULA WETZEL, et al.,  
11 Plaintiffs,  
12 v.  
13 CERTAINTEED CORPORATION,  
14 Defendant.

CASE NO. C16-1160JLR  
  
ORDER REGARDING  
RENEWED MOTION FOR  
CLASS CERTIFICATION

15 Before the court is the parties' joint status report. (JSR (Dkt. # 183).) In the joint  
16 status report, Plaintiffs Paula Wetzel and Joel Wetzel "request permission to file a  
17 renewed motion for class certification, in which they will seek to certify a narrower class  
18 composed of persons who, like Plaintiffs, currently own or owned homes in Washington  
19 with CertainTeed Landmark 30 shingles manufactured at the Portland plant between  
20 January 1, 2004, and June 30, 2007, and are or were the third or later generation of  
21 owners." (*Id.* at 2.) Plaintiffs also seek to reopen class discovery on issues "raised in the

22 //

1 [c]ourt’s March 25, 2019, order” concerning the appropriateness of class certification  
2 under Federal Rule of Civil Procedure 23. (*Id.* at 3); *see also* Fed. R. Civ. P. 23.

3 Although Plaintiffs may file a renewed motion for class certification if they deem  
4 such a motion to be appropriate, *see* Fed. R. Civ. P. 23(c)(1)(C) (“An order that grants or  
5 denies class certification may be altered or amended before final judgment.”), the court  
6 declines to further extend the deadline for class certification discovery. The court  
7 initially set a deadline to complete class certification discovery by December 15, 2017.  
8 (5/2/17 Sched. Order (Dkt. # 25) at 1.) In response to the parties’ stipulated motion, the  
9 court extended that deadline to April 13, 2018. (12/13/17 Sched. Order (Dkt. Entry on  
10 12/13/17).) On April 23, 2018, in response to Plaintiffs’ motion, the court again extended  
11 the class certification discovery deadline to July 12, 2018. (4/23/18 Sched. Order (Dkt.  
12 # 91) at 1.) Plaintiffs have not shown that any further delay in this case for purposes of  
13 conducting additional class certification discovery is warranted (*see generally* JSR), and  
14 accordingly, the court DENIES the request.

15 Finally, in their joint status report, Plaintiffs state that they “anticipate filing a  
16 renewed motion for class certification on October 31, 2019.” (JSR at 2.) The court  
17 scheduled the trial of Plaintiffs’ remaining Consumer Protection Act claim to begin on  
18 November 2, 2020. (6/27/19 Sched. Order (Dkt. # 184) at 1.) Given this trial date, the

19 //

20 //

21 //

22 //

1 court will hold Plaintiffs to the deadline they propose for any renewed class certification  
2 motion and ORDERS Plaintiffs to file any such motion no later than October 31, 2019.

3 Dated this 3rd day of July, 2019.
